SAFARI EXPERIENCES AT JACI'S

FAMILY & GROUP SAFARIS

We love family! Children and families of all ages and sizes are most welcome at Jaci's Safari Lodge. A family safari retreat at Jaci's is packed full of activities and child-friendly amenities for all ages. With twice daily game drives, family-style dining experiences and convenient accommodation options, all family members are assured to get the most out of their African adventure.

Accommodating up to eight guests, The Safari Suite is nestled amongst a Tamboti grove and is ideal for larger families or groups. The custom-built deck features a central fire pit and spacious seating area leading on to a partially covered starpod and private swimming pool, all overlooking the Marico River.

Nare Suite, which accommodates up to six people, is also ideal for families or groups traveling together. The suite includes a master and guest bedroom, an open-plan bathroom with a generous stone bath and outdoor shower, swimming pool and an upstairs loft – perfect for children to stretch out and chill in.

WEDDING SAFARIS

Say "I DO" against a backdrop of breathtaking vistas and the gorgeous bushveld, with your closest family and friends. Surrounded by nothing but Mother Nature, with the setting African sun as your witness, the special events crew at Jaci's Lodges will do their very best to make sure that your wild wedding is a most memorable affair.

Our wedding packages include an option of either an Intimate Wedding for 2-10 guests or a Grand Wedding for 10-50 guests, but we welcome the opportunity to work with you to tailor-make your dreams of a wild safari wedding a reality!

Use of game drive vehicles to be scheduled between standard game-drive times. Additional services are available on request and are quoted separately. Flower choice is dependent on season and availability. Package offers are exclusive of accommodation.

PHOTOGRAPHIC SAFARIS

The photographic offering at Jaci's Lodges is carefully thought out and designed to accommodate photographers of all levels with all camera types, from amateur snappers to specialized wildlife professionals who want to capture once-in-a-lifetime images.

For guests' convenience, our photographic equipment is also available to hire. Whether you require a camera for a particular day's safari drives or would like to make use of one for the duration of your stay, we are happy to be able to offer our guests access to our quality photographic equipment. An Apple MAC computer, with suitable photographic editing software is also on-hand at Jaci's Tree Lodge Main Lodge.

WEDDING SAFARIS

THE TERRAPIN HIDE

Whether you want to capture priceless images of wildlife from the centre of our active waterhole or simply sit quietly, immersing yourself in your surroundings, the water-level Terrapin Hide at Jaci's Tree Lodge is proud to boast this unique vantage point.

Our friends at Pangolin Photo Safaris assisted with the design and construction of the hide, ensuring its position and functionality is optimized for a truly unique game-viewing and photographic experience. The hide is visited by a wide variety of animals and birds, and thanks to its unique location and design, one can sit quietly and watch them coming down to drink as if you weren't even there.

Home to our ever-growing "resident" Nile Crocodile, the low angle gives photographers an unparalleled opportunity to capture eye-level images. From the safety and unique vantage point of the hide, you might even get lucky and capture an elusive leopard, swimming elephants or African wild dogs...

The Terrapin Hide, open since September 2015, has established Jaci's Lodges as a premium photographic safari destination with its West-facing orientation guaranteeing soft morning light and warm backlit silhouettes in the late afternoon. Accessible via an underwater tunnel, the hide is open to Jaci's Tree Lodge guests 24-hours a day.

For guests' convenience, our photographic equipment is also available to hire. Whether you require a camera for a particular day's safari drives or would like to make use of one for the duration of your stay, we are happy to be able to offer our guests access to our quality photographic equipment. An Apple MAC computer, with suitable photographic editing software is also on-hand at Jaci's Tree Lodge Main Lodge.

CAMERA KIT FOR HIRE

- Canon 7dii
- 100-400ii Lens
- Gimpro game viewer mount
- Guests hiring photographic equipment receive a complimentary SD card
- Rate: R1250.00 per camera for use on two game drives (A 1-day period)

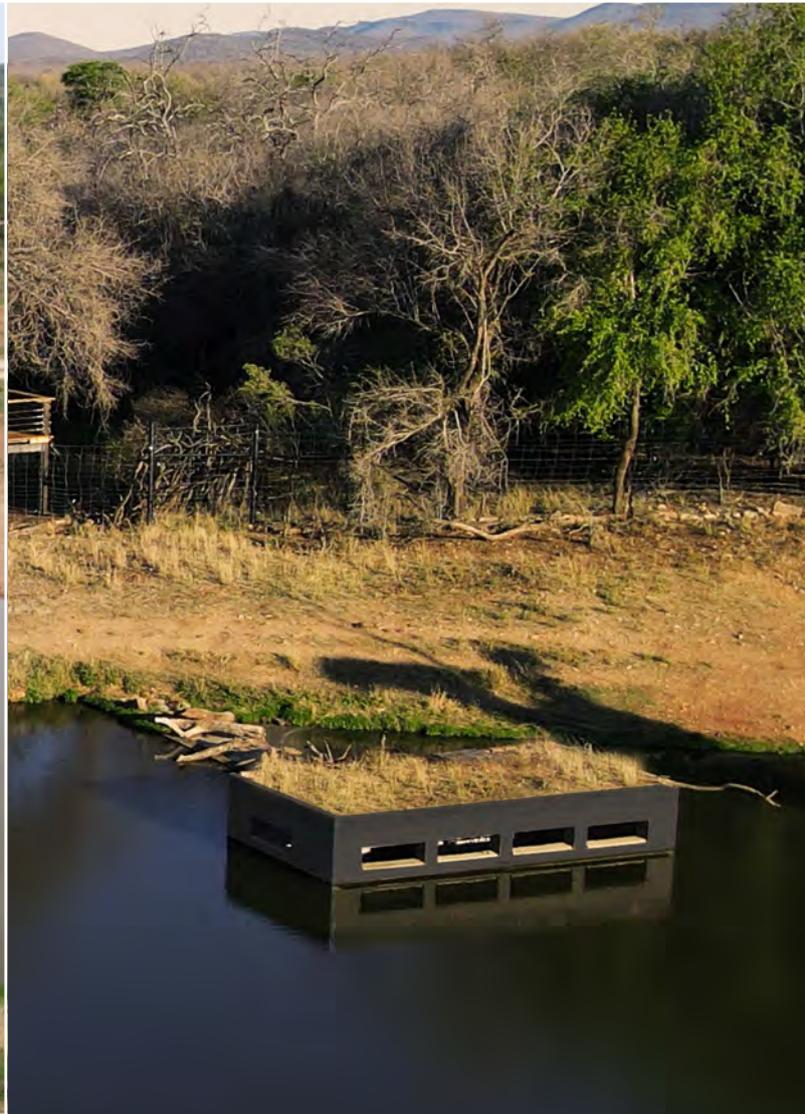

Photographic equipment hire and printing are subject to availability and additional costs.

Photographic Safaris are subject to availability and prior arrangement.

CONSERVATION SAFARIS

Conservation safaris at Jaci's Lodges are designed to help everyday bush lovers contribute to on-the-ground wildlife conservation efforts taking place in the greater Madikwe Game Reserve. This initiative includes exhilarating involvement in wildlife safeguarding efforts within the reserve, such as notching and microchipping

TERRAPIN HIDE

rhino, collaring elephants, branding lions and gathering information for North West Parks Board field rangers to help effectively manage Madikwe's core species of lion and rhino and African wild dog relocation.

Each conservation safari is led by a team of professionals, including:

- A wildlife veterinarian with specific training in immobilizing wild animals, with knowledge of their habitat, stress levels and other factors that may affect the outcome of darting procedures.
- A helicopter pilot skilled in low-level flying, who enables the vet a clear and steady shot.
- Field rangers who assist the team in doing the job quickly and efficiently, helping gather essential data and recording the details of each animal, contributing to the successful outcome of a conservation safari.

*Please note: Certain safari activities may be restricted due to COVID-19 protocols.
Conservation Safaris are subject to additional costs, availability and prior arrangement.*
